This year's Ducky Derby and Street Festival held near Festival Park in downtown Castle Rock was a tremendous success. Nearly \$30,000 net proceeds were raised for charitable causes from a combination of ticket sales, cash sponsorships, vendor participation, the silent auction, the car show and, of course, the Rotary beer tent.

Besides the myriad of food, merchandise and service vendors, the families and their children were treated to various events and demonstrations including the waddle walk, contest, indoor air mattress jumping, live hawk and falcon demonstration, face painting, canine demonstration, 911 practice, 5 different musical bands and much, much more...

The first prize of \$3,000 was awarded to Andrew and Harrison Ford, both 7 years old, whose lucky duck #3592 came in first place. While no \$1M prize was awarded, we look forward to next year for a possible million dollar winner!!!
